Register now to be part of the UK Pavilion: BIO International Convention 2020 8-11 June, San Diego, USA

The UK Pavilion at BIO International Convention 2020

From the 8-11 June 2020, Department for International Trade will be facilitating key business support for UK companies at BIO, the largest biotechnology event in the world. Attended by top decision-makers and buyers from more than 65+ countries, BIO attracts over 17,000 biotechnology and pharma leaders from 8,400 companies.

Exhibiting on the UK Pavilion will increase exposure for your company, and will allow you to host meetings on the stand.

The deadline to register interest is Friday 6 March. We will endeavour to let you know a decision within one week.

Please note, due to the high volume of interest, there will be an approval process for all applications.

Why Attend:

The benefits of exhibiting on the UK Pavilion include:

- complimentary BIO International Convention exhibitor passes x 2, providing access to the Exhibition Hall;
- fully branded pod, front and back. The pod also includes a lockable storage area;
- access to and use of the UK Pavilion meeting area;
- promotion of your company including; a profile, logo and image inclusion in the DIT brochure and inclusion in the online directory and show website;
- 1 x partnering account with access to the BIO one-on-one partnering system and host meetings at your pod with leading biotechnology and pharma companies from across the globe.

The standard package is £4,000 + VAT. If you would like to upgrade your package to include a screen, the cost will be £4,700 + VAT. Please contact ditlifesciences@brayleino.co.uk for more information.

Who should attend?

UK Life Sciences companies and organisations with an investment opportunity or export product and / or service offering.

Further Information

The fee to exhibit in the UK Pavilion will NOT include flights, accommodation, insurance or airport transfers.

For organisations looking to raise their profile through the UK's presence at BIO, please contact ditlifesciences@brayleino.co.uk.
